Packages & Services

It is extremely important to us to be up front and clear with our pricing with no hidden catches or extras. All of our services are completely flexible and as we know that every wedding is a little different, we're more than happy to discuss your requirements and tailor to your needs.

Quality is intrinsic in everything we do and every wedding we're kindly chosen to cover comes automatically with the following included in the price.....

- An **unrestricted disk of high-resolution images** ready to print from.
- An **unlimited number of photographs** shot at your wedding to ensure we don't miss a thing.
- An **online wedding photo gallery** for you to share the memories with your friends and family. Additional prints can be ordered direct from our online shop and delivered to your door from our partner pro photo processing lab.
- All **post-production image editing** including colour correction, toning and black & white effects.
- A **pre-wedding preparation visit** to your venue by Union32 to discuss your day with staff and organisers.
